Football League Cup, 2nd Round, First Leg

WIGAN ATHLETIC

TUESDAY, 6th OCTOBER, 1981

Kick-off 7.45 p.m.

*Official
Programme 30p*

Len Walker

Tonight we see the First Leg of the Second Round of the League Cup Tie against Wigan Athletic. This being the first time for ten years we have reached this stage of the competition, we obviously dearly want to progress a lot further — perhaps lead to a money-spinning clash against some top First Division opposition.

We welcome everyone associated with Wigan Athletic Football Club tonight to the Recreation Ground, and hope they contribute to and enjoy a good game of football. Larry Lloyd is manager of the club, joined them as player/manager during the summer break from Nottingham Forest. Another world-wide name is Bobby Charlton, who provided some marvellous entertainment to everyone during his playing career. Bobby is now a director with the club.

We have let our good away form be destroyed to a certain degree by losing our last two home games, and while we can argue it should not have been, it is the goals that win the games. Against York City we had eighty per cent of the play but could not turn it into goals.

We travelled to Rochdale on Sunday and came back with one point. The game itself was not of the highest standard, but conditions on the day had quite a bit to do with it. The experiment of playing on a Sunday did not appear to help bring any more people through the turnstiles at Rochdale. Perhaps we may see at Bradford if the Sunday football will draw more people when the home team concerned have had a good start to the season. I think it will — but it will be interesting to compare after several games.

The injury situation has taken a turn for the worse with Paul Hampshire and Joe Jopling being side-lined with back injuries and two of our three apprentices being injured — Colin Fielder with a groin strain and Jeremy Jones with a knee injury.

We finished fourth in last month's Golden Goals Pepsi League, the winners of our League being Bradford City, scooping the £1,000 winners' prize.

I end these notes today expressing with deepest regret from everyone within the Club at the passing of Mr. Bill Shankly — one of the greatest men this game has ever known.

LEN WALKER.

With the Reserves

On Sunday, 27th September, our Youth team travelled to Bournemouth for a Hampshire Youth League fixture, and after an in-and-out display, went down by 1-0. We were missing Jerry Jones from our usual side and made another change at the back with Rod Cheeseman and Jimmy Ryan coming into the side for their first games in our colours.

Bournemouth capitalized on an early mistake and went into the lead within 15 minutes of the start. We were not playing our best football, but even so, we were rarely troubled after this. On the other hand, we were creating very little and were not really a threat to our opponents' goal, although a half-chance went begging before the break. We settle down after the interval and dominated the second half, but could not get the breakthrough which would have put us back in the game. They put everybody behind the ball at every opportunity and certainly we did not get our share of the usual knockdowns. Although two chances came our way (but were not taken) our performance was better in the second half and we were relatively happy with the football we played. A goal for us at any time in the second half would have started an avalanche, but obviously the end result is about goals, and we were lacking in this department. *Team:* Holmes, Hodge, Whelan, Fielder, Ryan, Hawtin, Gibbons, Pantony, Cheeseman, Peters, Groves. *Subs:* May, Flanagan.

On Wednesday, 30th September, our Reserve team travelled to Roots Hall to take on Southend in the Midweek League. We were on top in the first period and went ahead with a fine goal from Mick French following a short corner between Alex McGregor and Bobby Gould. We came close to extending our lead before the break, but Southend survived. We went two up with ten minutes to go through Paul Hampshire—again from a well-worked short corner. Southend scored a consolation goal two minutes from time, but this was a good performance from our lads. *Team:* Horn, Fielder, Brown, Lucas, Scott, Burtenshaw, McGregor, Gould, Hampshire, French, Robinson. *Subs:* Tong, Logan.

Introducing...

WIGAN ATHLETIC

Those fans who will be unfamiliar with the second round of the League Cup will shortly realise that since our last association with this stage of the competition, it has taken on another leg. Thus tonight's encounter with Wigan Athletic will only put one side or the other out on a limb.

In their comparatively short existence in the Fourth Division, Wigan have invariably provided attractive opposition for us, and their present squad is well stocked with talented players, led by the experienced player-manager Larry Lloyd, who came to the club towards the end of last season. Lloyd, a former England international centre-half, played for Bristol Rovers, Liverpool, Coventry and Nottingham Forest, and gained a wide knowledge of the game at domestic and European level. His last League game (in 1980-81) was his 400th overall in the League.

His partner in the middle of the defence is Colin Methven, a Scot who made his name with East Fife and cost Wigan a £30,000 fee in October 1979. Last season he was Wigan's only ever-present player.

Full-backs John McMahon and Alex Cribble are something of a new pairing for the Latics. McMahon is a close season capture from Crewe Alexandra but began his career with Preston North End. His experience has also taken in loan spells with Southend United and Chesterfield. Cribble (one of several Merseyside developments with Wigan) was secured in October 1980 and has shown his ability in midfield or defence since his Central League days with Liverpool.

The club's longest-serving player is midfield player Jeff Wright, who was signed in 1974 from Netherfield and is already heading for his 150th League appearance in Wigan colours, not including his list of games before they entered the League.

Also in midfield these days are wingers Kevin Sheldon and Clive Evans, both close season captures (from Stoke City and Tranmere Rovers respectively). Evans, with more than 150 League games for the Birkenhead side, is the more experienced of the two.

Another new recruit, Les Bradd from Stockport County, has added to the club's striking force, notably made up of Peter Houghton and Mike Quinn. Bradd (who started his career with Rotherham United) established a record of goals while with Notts County, making 398 appearances in their League side for 125 goals. Last season he was Stockport's leading marksman and took his career total to 150 League goals. Houghton (with more goals for Wigan since they entered the League than any other player for the team) has reached his 100th League appearance for the club, while Quinn (who was the club's leading scorer last season) has come up through the junior and reserve ranks.

Goalkeeper Bob Ward claims previous League appearances for West Bromwich Albion, Northampton town (on loan) and Blackpool, and shares the last line of defence role with John Brown, another experienced custodian who served Preston North End and Stockport before linking up with Wigan in non-League days.

Completing the senior staff are defenders Neil Davids and Steve McAdam, midfield players Kevin Langley, Graham Barrow plus winger David Glenn. Davids (a central defender) lists Leeds United, Norwich City, Northampton (on loan), Stockport (on loan) and Swansea City as his former clubs, while McAdam is a product of the Irish League with Portadown, since when he has played for Burnley, Oldham Athletic and Barnsley. Langley, a former apprentice and Preston trialist, was outstanding in pre-season friendlies, and has already appeared in the League side, as has Barrow, a close-season capture from the crack Alliance Premier League team Altrincham.

But as far as this tie is certain, history must be made, for neither Aldershot nor Wigan have previously passed beyond the unknown—represented in this sphere by the second round!

DID YOU KNOW?

- ...That the current League Champions, Aston Villa, are the most successful team in the Football League Cup, having won it on 3 occasions in 1961, 1975 and 1977.
- ...That when the Shots reached the 2nd round on September 9th, 1970, they met mighty Manchester United at the Rec, going down eventually 3-1 after scoring first through Richard Walden.
- ...Although the League Cup started in the 1960/61 season it was not until season 1969-70 that all 92 Football League clubs entered.
- ...The first League Cup Final to be held at Wembley was in 1967 (QPR beat WBA 3-2); prior to that the final was decided over two legs.
- ...The record single victory in the Football League Cup is held by Workington who beat Barrow 9-1 in the 1st round in season 1964/65.
- ...That Nottingham Forest are the only team to retain the League Cup — they won it in 1978 and 1979 and were beaten finalists in 1980.
- ...That the Shots first ever opponents in the League Cup were Bristol City, who included England international John Atyeo in their line-up. After drawing 1-1 at the Rec, Shots went down 3-0 in the replay.

Scene at the Rec

We welcome tonight's visitors, Wigan Athletic, to this, the first leg of the second round of the 1981/82 Football League Cup Competition.

The regulation relating to level and aggregate scores applies as in the first round, whereby the score after 90 minutes tonight is carried forward to the second leg, which will be played at Wigan's ground on Tuesday, 27th October, where, if the aggregate scores are level at the end of the second game, an extra half hour shall be played. Then, if the aggregate scores are still level at the end of the extra time, the tie shall be decided by the goals scored away from home counting twice. If the teams remain equal after this procedure, the tie would be taken by the taking of kicks from the penalty spot. From Round three onwards the games are played on a one match basis.

The first end-of-the-month £1,000 awards in the Pepsi Golden Goals Competition have been won by West Ham in Division One, Luton in Division Two, Bristol Rovers in Division Three, and Bradford in Division Four. Regular readers may recall from an earlier programme that Pepsi have introduced this competition in conjunction with the Football League in a bid to boost the goal tally during the current soccer season, with one point being awarded for each home goal scored, and two points being awarded for each away goal scored in the Football League, together with a three-point bonus for three or more goals scored in any League match. Bradford City's runaway total of 38 points was helped tremendously by a 5-1 away win at Hartlepool during the month, which gave them a total of 13 points. Aldershot finished in fourth position in our Division in the month of September with 23 points.

The Club are always pleased to hear from Supporters or Companies who are willing to sponsor match balls for use at one of the games during the season, and for a donation of £30 the sponsor receives an acknowledgment in the programme plus an additional acknowledgment on the day of the game the match ball is used. This season match ball donors will receive (following the use of their match ball) a replica plastic football signed by the two teams playing. Any enquiries from prospective match ball donors would be welcomed at the Football Club Offices or by ringing Aldershot 20211.

Whilst on the subject of goals, supporters are reminded that the Aldershot Football Supporters' Club are operating a 'Sponsor a Goal' Fund which currently stands in the region of £300 and eventually the proceeds will be donated to the Football Club via the 'Buy a Player' Scheme which the Supporters' Club are administering. Any Supporters wishing to contribute to this fund should contact *Radio Shots* on match days for further details.

The Sportsman's Club Golfing Society has now been formed, the first fixture being the Autumn Cup later in the month. There are still a few vacancies for membership to the Society, and members of the Sportsman's Club who would be interested in joining the outdoor types who are already in the Society are invited to make enquiries at The Sportsman's Club. Membership of the Society costs £5.75.

A date for your diary — on Saturday, 19th December, the Sportsman's Club are holding a Christmas Dance with music by the John Fenton Trio, from 8.00 p.m. until midnight. Tickets are on sale from the bar of the Sportsman's Club, priced £2.50, which includes refreshments. On the 31st December a New Year's Eve Dance takes place at the Sportsman's Club from 8.00 p.m. until 1.00 a.m., music being provided by The Chippendales. Tickets are obtainable at the bar, priced £5.50, which includes a Buffet.

The Reserves played their third match in the Mid-Week League last Tuesday when they travelled to Southend and won the game by two goals to one, the goal scorers being Micky French and Paul Hampshire. Whilst there is a long way to go in the Reserve fixture list, they have yet to be beaten, having drawn one game and won two, giving them a total of seven points (a similar points system applies as in the Football League — three points for a win and one for a draw). The next game for the Reserves in this League is on Wednesday, 21st October, when Peterborough United visit the Recreation Ground, kick-off 7.30 p.m., but tomorrow the Reserves travel to Cambridge United to play in the first round of the Mid-Week League Cup.
